

TOWN OF BRIDGEVILLE

# THE JOURNAL

VOLUME 31 CHAPTER 306

JAN/FEB/MAR 2006

## From the President's Desk

Since I last reported to you, the Bridgeville Town Commission has adopted the first municipal Sex Offender Ordinance in the State of Delaware. This Ordinance limits any convicted adult sex offender from living within 2,500 feet of a school, school fields, child care center, or park. Fines and imprisonment are in place if an individual chooses to ignore this law. The only opposition to enactment of this legislation was the American Civil Liberties Union (ACLU). The Commission adopted the Ordinance unanimously. Since its adoption, a number of Delaware Towns have expressed interest in enacting similar legislation.

We have begun work on an update of the Town's Certified Land Use Plan. The Planning Commission held a public meeting in March and a Workshop meeting on April 3rd. Comments from both meetings will be submitted to our land use consultant, Davis, Bowen and Friedel, for inclusion in our new plan. Once that draft has been completed, a series of public hearings will be held by the Planning Commission and the Town Commission prior to adoption. Once adopted and certified, all requests for annexation that have been received will be brought forward for a vote by the people of Bridgeville.

Because of funds that the Town received from the Special Tax District fee that was levied when bonds for Heritage Shores were issued, we have been able to purchase our own street sweeper. We look forward to its delivery this spring. Once in place, Street Superintendent Rick Passwaters will develop a schedule for cleaning our streets. You will be advised as to the dates for cleaning so that vehicles can be removed to allow us to do a thorough job of cleaning our streets.

In the past when the Town annexed parcels, no property taxes were assessed until we actually provided services to that parcel. The Commissioners have chosen to simplify that system so that when a property is now annexed to Bridgeville, that property will begin paying Town taxes in the next tax year. We also adopted a \$1,500 fee that will be assessed on properties seeking annexation to Bridgeville.

We can again report that the financial picture of your Town is very bright. While other municipalities throughout Delaware struggle with their finances, we continue to develop surpluses in our accounts. At the end of February, 2006, Bridgeville had actual cash on hand of \$998,738. These increased revenues are a direct result of growth. We are providing greater services than ever before, including 24 hour a day, seven day a week police coverage. Unlike the doomsayers and the anti-growth people who want Sussex to remain their own private playground, we in Bridgeville have managed growth effectively and made it work for us. With growing surpluses, is a property tax cut far behind? Stay tuned.

Finally, the Commission will consider a moderately priced housing program for all newly annexed properties. Through the use of our developer's agreement, we will require that a number of units within the new subdivision be set aside as houses whose selling price will be controlled to make them more affordable to middle income folks. Not only that, we will require that people who now live in Bridgeville, their children, those who work for a Bridgeville business, including the Woodbridge School District, those in the military, and those who provide emergency services to our community, will be given priority when it comes to buying those homes. The price of homeownership is quite expensive today, but we must do something that will enable our young people to return home. This program may not be the final answer, but it is a beginning.

On a personal note, Joann and I would like to thank all of you who continue to pray for our son Joey, who is in Iraq. We appreciate your many cards and packages that have been sent to his unit. We had the pleasure of seeing Joey in March while he was home on R&R, and we look forward to October 18, 2006 when he is scheduled to return home. But let us not forget all of those who serve. May God bring them home safely and soon.

## Town Manager's Report

We anticipate going to bid for street and curbing projects in the near future. These improvements are made possible through funding by Senator Adams and Representative Ewing. We certainly appreciate their continued support.

I had the honor of attending the 67th Anniversary of the Kiwanis Club of Bridgeville's Charter Night on March 20th. We are very fortunate to have such a dedicated group of men and women serving our community, particularly for their commitment to address the needs of youth. The Commissioners were given the opportunity at this meeting to present Mr. George "Sonny" Hardesty with the Jefferson Award for Community Service. Those of you who know Mr. Hardesty surely realize how deserving he is of the Award. A second award was bestowed by the Kiwanis to one of their own outstanding members. The George F. Hixson Fellow Award was presented to Ralph L. Scott, III for his dedication and devotion to the Club. Congratulations are extended to both recipients.

On April 5th, Bridgeville was the host to SCAT - Sussex County Association of Towns. We held the dinner/meeting at the Bridgeville Fire Hall with the Ladies Auxiliary serving a most delicious meal. On behalf of the Commissioners, we thank the ladies and gentlemen who prepared and served our dinner. My personal thanks to Ladies Auxiliary President, Mrs. Roselie Hastings, for all her help and kindness. We also extend our sincere thanks to Ralph and Paul Adams, Inc. for their scrapple donation to all those in attendance. The scrapple was a generous gesture and very much appreciated.

The SPCA will continue to make unannounced visits regarding dogs and cats running at large, requiring proper care, etc. Please take responsibility for your pets. Remember, no more than four household pets are permitted in a dwelling unit. Please have your cat or dog spayed or neutered.

Happy Easter!

## Marble Source Unlimited Donation

The Commissioners and Town Manager would like to extend their thanks to Ritchie Woodland and his staff at the Bridgeville business for their gift of new marble flooring and countertop for the foyer area of the Town Hall. Many visitors have commented on the improved appearance to the public area.

President Conaway presented a Certificate of Appreciation to Mr. Woodland at the March Commission meeting for their generous donation, allowing the Town to receive guests in a professional manner and project a positive image.

## Municipal Election Results

This is the first election in the Town of Bridgeville since 2002. The one-year term currently held by Commissioner Pat Correll was uncontested and she retained her seat on the Commission.

The election took place with a 3-way race between incumbent Commissioners Margaret Sipple and Earl Greason, and newcomer Timothy Banks.

The incumbents were the top two vote winners; therefore they both returned to the Commission, each for a 2-year term.

We appreciate Mr. Banks' commitment to the community and his interest in running and trust many residents will have an increased interest in Town government.

Congratulations to the winners!

## Jefferson Awards

In 1972 Jacqueline Kennedy Onassis, Senator Robert Taft, Jr. and Sam Beard founded the American Institute for Public Service to establish a Nobel Prize for public and community service – The Jefferson Awards.

The Jefferson Awards are presented on two levels: national and local. National award recipients represent a "Who's Who" of outstanding Americans. On the local level, Jefferson Awards recipients are ordinary people who do extraordinary things without expectation of recognition or reward. The Town Commissioners have had the distinct privilege of awarding two of Bridgeville's "Unsung Heroes" and their families with Jefferson Awards.

On January 21st at the Bridgeville Fire Hall, President Conaway awarded the Jefferson Award posthumously in memory of Joseph H. Evans to his daughter, Kim VanBuskirk and son, Kevin Evans, for 41 years of volunteerism and community service. Joe even left this world serving, as he suffered a heart attack while responding to an alarm in July of 2005.

On March 20th during a Kiwanis Club of Bridgeville event, President Pro Tem William Jefferson presented the Jefferson Award to George F. Hardesty. Well-known in the community as "Sonny," Mr. Hardesty has been devoted to volunteerism through many church, civic and community organizations, ranging from the Fire Company and Little League to Town Commissioner and the Kiwanis Club.

## Historic Marker Unveiling

The Delaware Public Archives will be placing an historic marker for **Edward Willis Redfield** on the corner of Delaware Ave. and William St. The unveiling ceremony will be June 13th at 11:00 a.m. A reception will follow in the Parish Hall of St. Mary's Episcopal Church on William St. The Bridgeville Historical Society is sponsoring this event and the general public is invited to attend. The following information (edited for this article) will appear on the marker:

### **Edward Redfield**

Landscape painter Edward Willis Redfield was born near Bridgeville, Delaware on December 19, 1869. After studying in Philadelphia and Paris, he 'retired' at the age of 29 to Buck's County Pennsylvania where he became leader of a colony of artists called New Hope Impressionists. Redfield combined Monet and Van Gogh styles creating an original concept, which brought him recognition throughout his life. In 1902 he began his annual summers in Maine and from that time forward, the coast provided subjects second only to the artist's beloved Delaware River landscapes, including his classic panoramic winter scene, "Late Afternoon." He died in 1965 in Center Bridge, Pennsylvania.
